

## IGC – FAI Challenge Cups

### Part 9 – History of the FAI World Soaring Challenge Cup Team Competition and Champion Pilot of the Year

Author : Gisela Weinreich

Editor : Peter Purdie

#### History

1995 The FAI World Soaring Challenge Cup was originally (from 1995) awarded to the best team from an NAC in a World championships. It was donated by 9 families from New Zealand.

**John and Chris Roake**

**Dick and Helen Georgeson**

**Tom and Audrey**

**Richardson**

**Ari and Cor Van Dyke**

**Geoff and Anne White**

**Shirley and Ian**

**Finlayson**

**Margaret and Gordon**

**Hookings**

**Judy and Peter Lyons**

**Tom Davies**

The Cup was awarded for the first time at the 24th FAI World Gliding Championships in Omarama/New Zealand to the best Team of a participating country / NAC. The 24th WGC was organised in 3 classes: Open Class, Standard Class and 15 m Class.

Description of the Cup: The World Soaring Cup has a wooden base and a bronze globe inside a bronze “thermal” spiralling up and around the globe, which shows New Zealand at a prominent position.

In 2018 some damage was noticed. Thanks to a donor from the German gliding community, a thorough repair was carried out.

2008 The World Gliding Championships were split into two events within the same calendar year due to the 6 classes. In addition, the 13.5m class were added as a new World Championship class, the WGC 13.5m class will now be held in the even-numbered calendar year. Scoring the best team in so many classes and competitions makes it difficult to differentiate. Each WGC, except the 13.5m class, will have a Team Cup competition and will be scored according to Appendix A. The winners will be awarded the title of Team Champion. The Team Captain of the Team Champion will receive the FAI Gold Medal. The FAI Silver and Bronze Medal will be awarded as appropriate. Only at WWGCs and JWGCs were the Team Champions awarded the FAI Team Challenge Cup in addition to the FAI Medals.

2014 The World Soaring Cup retained by the Team winner Great Britain at Lasham until further instructions.

2018 The World Soaring Cup would in future be awarded to the IGC Champion Pilot of the Year. (Decision from IGC Plenary Meeting – Freudenstadt, 2 and 3 March 2018). The Team award became a separate award. In 2019 the IGC expressed its gratitude to John Roake for agreeing to rededicate the World Soaring Cup trophy for the IGC Champion Pilot of the Year

#### List of Team Champions and events

1995	24 <sup>th</sup> WGC	Std./15m/Open	Omarama / NZ	WSC France

## IGC CHAMPION PILOT OF THE YEAR

Rules: F.A.I. Bye Laws 7.4.4. The IGC CHAMPION PILOT OF THE YEAR will be selected from the Champions in all the classes across all Qualifying Competitions. (A Qualifying Competition is any FAI-sanctioned World Gliding Championship that becomes valid in a given Championship calendar year). The selection will be made after the the Closing Ceremony of the final Qualifying Competition of the Championship calendar year. This evaluation applies to each class in every Qualifying Competition.

- The World Champion's Final Score (FS) is the conclusive score of the World Champion.
- The Maximum Possible Score (MPS) is the sum of the winning scores of every valid competition day.
- The World Champion's World Soaring Cup Score (CS) is :  $CS = 100 \times FS / MPS$

In each Championship Calendar Year, the World Champion with the highest WSC Score will be given the title of the **IGC CHAMPION PILOT OF THE YEAR** and awarded the World Soaring Cup. Ties will result in Co-Champions.

The **WSC** will be awarded to the new **IGC CHAMPION PILOT OF THE YEAR** as soon as practical at the conclusion of the final WGC of the Championship Calendar Year. The winner has the option of having the WSC shipped to him/her by FAI or receiving the WSC at the IGC Plenary meeting normally held in February/March. The Champion Pilot of the Year will receive a **World Soaring Cup Diploma** issued by the FAI and signed by the International Gliding Commission President. (See Note 1)

Note 1: From the minutes of the IGC Bureau meeting October 2024, Agenda Item 9.b.

*Process for the IGC Champion Pilot of the Year The Bureau decided to investigate the creation of a smaller version of the trophy, which would be easier to transport and could be kept by the winning pilots. The aim is to bring the award ceremony back to the plenary session of the IGC, as this would be the optimum solution in terms of logistics and timing*

A historical record of the **WORLD SOARING CUP** will be kept in the FAI/IGC archives and every current and former **IGC CHAMPION PILOT OF THE YEAR** will be chronicled on the FAI/IGC website. As used above, a Championship Calendar Year is the year for which the World Gliding Championship was awarded by the Plenary.

## List of IGC CHAMPION PILOTS OF THE YEAR

2018	Michael Sommer / Germany	35 <sup>th</sup> WGC Open Class	Hosin/Czech Republic
2019	Melanie Gadoulet / France	10 <sup>th</sup> WWGC 18 m Class	Lake Keepit / Australia
2020	WGCs postponed to 2021	-	-
