Report to Plenary March 2025

Event Cancellation

5th FAI 13.5m Championship in Poland was cancelled due to lack of entries. There will be no further 13.5m events

4th PAGC in Brazil has also been cancelled.

Date changes

The bids for 40th FAI WGC 2026 Poland and 14th FAI JWGC Germany 2026 (voted for at the 2024 Plenary meeting) resulted in a clash of dates, both events have now been rescheduled.

Both events voted for in 2027 had identical dates – these have also been rescheduled.

See tables below.

I believe I have a new system so that this can be avoided in future.
