**Type the reasons in the space below:**

The schedules for each "Outside of Europe" were agreed in isolation (pre-Covid) they create conflict, confusion and uncertainty and have the potential to prescribe too many events Outside of Europe in a short time period.

Current rules in place;

JWGC and WWGC shall be given preference Outside of Europe every 10 years.

Each WGC shall be given preference Outside of Europe every 8 years.

A consolidated schedule is proposed to replace both of these existing rules.

**Provide supporting data or reference to external documents for the proposed technical amendments in the space below:**
