

## IGC – FAI Challenge Cups

### Part 4 – History of the FAI 15 metre Class Challenge Cup

Author : Gisela Weinreich  
 Editor : Peter Purdie

1978 The 15 m class was integrated for the first time in the 16<sup>th</sup> World Gliding Championships in Chateauroux / France.

1981 The FAI 15 m Challenge Cup was crafted and donated by goldsmith and glider pilot Heinrich Schönke, Bünde/ Germany. It was first awarded to the champion of the 15 m class, Göran Ax, Sweden, at the 17<sup>th</sup> WGC in Paderborn / Germany. Retrospectively it was awarded to the winner of the 15 m class World Gliding Championships in Chateauroux / France 1978, to Helmut Reichmann, Germany.

. On the cup following text is engraved:

Description of the FAI 15 m Challenge Cup The Trophy is a fine silverware cup 35 cm high and has a weight of 945 grammes. A wreath made of ebony with gold plated oak leaves decorates the waist of the cup above the round ebony socke.
