MEDIA PLAN

Good and close relationship to national as well as regional media stations was established through past FAI FCE events, big competitions as well as record attempts at the DZ Prostějov. The organizer has many media contacts including the three national TV networks who regularly publish reports from organizers skydiving events. Press Center at the Club building will be available. The Czech TV, magazines and main newspapers journalists will be present during competition. Cooperation with AeČR and ISC media liaison officer is granted and appreciated.

Press Releases with photos and video materials and media invitations will be sent by organizer to his media contacts regularly starting March the 1st. The Aeroclub of Czech Republic will also assist with media coverage. Television, news and all media members will be granted exclusive access to the event, with escorted tours of the competition. Interviews, photos and video footage will be made available to all media concerned. Organizer will widely use social media to advertise the FAI event before as well as during the competition (Facebook advertisement, Youtube, Vimeo, Instagram,... publishing of promotional video as well as daily videos from the competition,...). Organizer will endeavour to setup agreement with any international sport TV as Eurosport.

ACCOMMODATION DETAILS FOR FAI/ISC OFFICIALS

All ISC/FAI officials are guaranteed to stay at *** Hotel. The organizer prioritise Hotel Tennis Club in Prostějov town where all FAI/ISC officials stayed during past FAI FCE events and were satisfied with. The organizer will follow the specifications in FAI SC SC5 for officials lodging, transportation and catering.

JUDGING EQUIPMENT

Will be provided by organizer. InTime scoring system will be used during the competition.

PUBLIC ADDRESS SYSTEM

Innovative system will be used by Manifest to ensure full transfer of information to competitors and the public. Manifest system runs on every smartphone or internet connected device. Every competitor can see the manifest system on his smartphone, iPad, laptop, etc. In addition many public manifest screens are presented in Main building as well as in the hangars.

Big DZ TVs for competitors and the public. Advanced manifest system on accessible by any smartphone.

Organizer has covered all his area with hi-tech "Bosse" PA system since 2016 as standard. Wireless microphones, music muting during announcement is obvious.

IMMEDIATE MEDICAL CARE

JUMP-TANDEM has 20 years of experience responding to skydiving accidents. Transportation to the Prostějov city hospital with helicopter or ambulance in serious injury cases. The distance of the hospital is 5km. The typical response time is 5-10 minutes.
