## 8. What to do before and/or after the conference

Lucerne is the social and cultural centre of Central Switzerland. In terms of education, it is home to the University of Lucerne, the Lucerne University of Teacher Education and the Lucerne University of Applied Sciences and Arts, among others. Events with national appeal include the Lucerne Carnival and the Lucerne Festival. Lucerne is a major tourist destination in Switzerland, partly because of its location on Lake Lucerne and its proximity to the Alps, and partly thanks to attractions such as the Chapel Bridge and the Swiss Museum of Transport.
