#### History of the FAI Juniors Standard Class

2007 The Challenge Cup was donated by the Italian Airforce (Aeronautica Militare) on the occasion of the Junior World Gliding Championships in Rieti, Italy, in memory of Giulia, a member of the Italian Airforce sport squadron, who was killed in an outlanding at Romorantin, France, during a local gliding contest, just before she was to compete at the Junior World Gliding Championships 2005. The Cup was awarded retroactively to the winners of the Standard Class at the Junior World Gliding Championships 1999, 2001, 2003 and 2005.

Description of the cup: The Award is a 49 cm high classic two handles silver Cup on a 10 cm high round wooden base.

Engraving: On the top of the cup is engraved the Inscita della Rocchetta's family crest. The following text is engraved below the family crest

*GIULIA INCISA DELLA ROCCHETTA CHALLENGE CUP,  
JUNIOR WORLD GLIDING CHAMPIONSHIPS, STANDARD CLASS*

This is followed by the FAI logo. On the wooden base is a plate with the logo of the Aeronautica Militare.
