description : (please print)

For the last nine years, Jo has been an Executive Officer (specifically Competition Secretary) of the United Kingdom's Aeromodelling Federation (BMFA). Since 2000, she has been the organiser of all the Control Line British National Championships as well as Contest Director of the Speed classes at the Championships. Since 1980 she has organised, and been Contest Director for, all the national Control Line Speed competitions.

For seven years (2000-2006 inclusive) she was the GBR Team Manager for F2 World & European Championships and she undertook the same role for the Space Modelling World Championships in 2004 & 2006.

Jo has long been known and respected throughout the world for her extensive F2 (Control Line) knowledge and experience. Over the last seven years, since she was first elected as CIAM Technical Secretary, that respect has extended across the other categories of Aeromodelling.

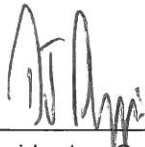

continued from page 1

She has proven time and again that her skills before, during and after the CIAM Plenary Meetings has enhanced the Agenda and Minutes considerably and her commitment to her role as CIAM Technical Secretary, FAI Jury President or member and to CIAM in general, is formidable.

She has clearly shown outstanding merits in developing aeromodelling by organisational activities both nationally and internationally and she is a passionate and eloquent advocate of competitive Aeromodelling.
