

Report of FAI F3P World Cup 2018

Two F3P World Cup Competitions were registered in the 2018 Event Calendar.

Siggenthal/Switzerland:

29 competitors flew F3P-AP, the best 7 pilots in AF. All of them could be counted, according to "Points Allocation" (5N.4 18)

Additionally there were 5 pilots in F3P-AA and 14 in F3P-AFM. Moreover there were two reflights accordingly in F3P-AA due to air movements caused by ventilation system and second one in F3P-AF class as a result of disturbance.

During competition implemented new devices called "e-scribe" as a part of a judging system connected to the display which was presenting the scores.

Competition was really well organized and appreciated by competitors and officials.

Montebeluna/Italy:

Competition didn't take place. Insufficient number of competitors.
